The charge from message rate telephones is 1 local call—from flat rate and coin telephones, 5¢.

Out-of-Town Calls

STATION-TO-STATION CALLS—If you will talk with anyone who answers the number you are calling, dial the Operator and tell her the city, state and the telephone number. If you don't know the number, say "St. Louis, Missouri, Anyone at Read & Co., 2100 Broad Street." The charge for a station-to-station call begins when the called telephone answers.

PERSON-TO-PERSON CALLS—If you want us to connect you with some particular person, or with a particular extension telephone or department reached through a private switchboard, call Long Distance—Dial 211. Tell the Operator the city, state and person (or extension) you want and also the telephone number if you know it. The charge is slightly more than for a station-to-station call and begins only when you reach the person (or extension) you want.

COLLECT CALLS—If you want the charge for an out-of-town call to be put on the bill of the called party, tell the Operator when you make the call that it is a "Collect Call." If someone at the called telephone agrees to accept the charges, you will be connected. Collect calls cost no more than other out-of-town calls, except in the case of station-to-station calls having a basic charge of 20¢ or less. The time at the calling point governs the application of rates on collect calls. Collect calls cannot be made to ships at sea, or to points outside the United States except Alaska, Canada, Cuba, Hawaii and Puerto Rico.

Service Difficulties

We realize that difficulties will sometimes occur in spite of our best efforts to avoid them. When they do, we are anxious to correct them promptly and to take steps that will prevent them from happening again. When you wish to report any service difficulty or to obtain assistance, please follow the directions above. If any matter is not handled to your satisfaction after you have followed these directions, please call the Manager who is in charge of your own central office. You will find his name and telephone number on this page.

Business Office Service

Your account is handled by a representative who will be glad to arrange for any changes in your service, furnish information about bills, directories, etc., or answer any question you may have about telephone service.

From your own telephone, call the Business Office—Dial 811. From a telephone other than your own, give the operator the number of the Business Office, as shown on this page. If you prefer to transact business in person, please go to the business office most convenient to you. (See list below.)

The business offices are open weekdays from 9 to 5, except Saturday, when they close at noon. If, outside of these hours, an emergency arises requiring immediate establishment or restoration of service, dial EX change 6-5100 and ask for the Manager.

Customer Service Bureau

The Telephone Company maintains a Customer Service Bureau whose sole job is helping business people to make more effective use of their telephone service. Its services are available to you without charge. All you need do is call the Business Office—Dial 811—and ask that a representative call on you.

Displaying Telephone Numbers

It will be a convenience to those who call you if you will print your telephone number on advertising material and stationery just as you do your street address.

While we cannot guarantee any number will be permanent, we change no numbers unless the needs of the telephone system make it essential to do so. When a number is changed, we give as much advance notice as possible.

FOR BOROUGH OF BROOKLYN POSTAL UNIT NUMBERS SEE MAP ON PAGE 5

Personal Number Lists

The quickest, easiest way to get telephone numbers is to have your own personal list. We have two attractive indexed booklets for just this purpose — designed after we had asked thousands of telephone users what kind they would like. For pocket or handbag—2⅝" x 4"—with space for 235 names, addresses, telephone numbers and memoranda. For home or office—4⅝" x 7⅛"—with space for 400 names, addresses and telephone numbers. There is no charge for either booklet. Just call our Business Office—Dial 811.

Information Service

"Information" is for those numbers not in your personal numbers list or that you can't find in the directory.

Here are some special steps we are taking to help you get the numbers you want without calling "Information."

More Directories at busy public telephones and private switchboard extensions. If additional directories are needed, let us know.

Memo Paper at busier public telephones, for jotting down telephone numbers.

Better Directory Arrangements at public telephones.

Improved Listing Arrangements in all telephone directories.

Free Announcement Cards for Subscribers, to notify friends or customers when they have new or changed numbers.

Attractive Booklets for keeping personal number lists. (See above.)

Directory Services

Every customer in Brooklyn is given a directory of Brooklyn telephones.

Directories are also available without charge for Manhattan, The Bronx, Queens, Staten Island and suburban points. To give these books to all Brooklyn customers would be an inconvenience to most of you. In cases where they are needed, they are furnished on request.

If your directory becomes lost or mutilated, the Business Office will replace it. To prevent mistakes, we ask that you return old books when new ones are delivered.

The Classified Directory

Every Brooklyn customer is also given a separately bound classified directory printed on yellow pages. It lists all Brooklyn business and professional telephone numbers under suitable headings.

No matter what commodity or service you want, you can generally find in the classified directories someone who can supply it. If you do not find what you want, call MUrray Hill 4-7000 (the Reuben H. Donnelley Corporation) and ask for "Buyers' Service."

Additional listings and advertisements in the classified directory may be arranged for by calling the Business Office—Dial 811.

Directory Listings

If you have a telephone you are entitled to one free listing. If you have more than one telephone line, you are entitled to one free listing for each line up to three. Listings in addition to your free listings may be obtained at 25¢ each per month.

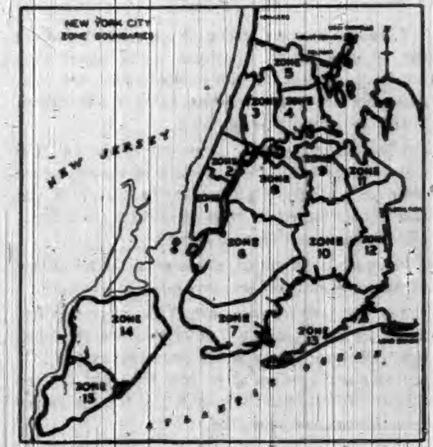
When you get a new directory, please check your own listings, and, if incorrect, notify the Business Office at once so that we may adjust our records for the next issue and protect your service in the meantime.

Many telephone users take additional listings so that their telephone numbers will be listed in other places in our directories where people may look for them. They may be secured by calling the Business Office—Dial 811.

Charges for Local Service

MESSAGE RATE SERVICE: The monthly rate for this service pays for all outgoing local calls up to a certain number. A charge is then made for each call over that number. No charge is made in case your call is not completed because of a "Line is busy" or "Don't answer" condition, or for any other reason. If you get a wrong number, call this to the attention of the Operator.

New York City is so large and its telephone system so complex that it has been necessary to divide the city into rate zones as shown on this map.



Each call to your own or a nearby zone counts as one call. Each call to more distant zones counts as two and in some few cases three calls. The Business Office will be glad to send you a card showing this information for calls made from your telephone or the Operator will be glad to tell you whether a call you wish to make is a one, two or three-call charge.

Calls that are dialed without the assistance of an operator are counted by an accurate system of mechanical registration. All other calls are recorded by the operator.

Our message rates provide for an overtime charge on all local calls of more than five minutes. However, we do not make an overtime charge within the one-call range unless the time is materially in excess of five minutes.

FLAT RATE SERVICE: Residence service can also be had at a monthly charge which pays for all Brooklyn calls. Calls to other points in New York City are charged for at 5¢, 10¢, or 15¢ for the first 5 minutes. The Operator will be glad to tell you the charge for any call at any time or a card showing this information may be secured by calling the Business Office.

How to Dial

Be sure you have the right number.

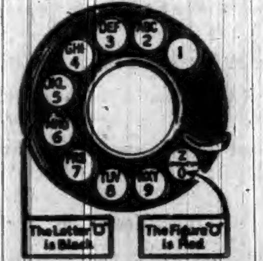
Let's say the number is FO xcroft 9-9970.

Remove the receiver.

Listen for the Dial Tone—a steady humming sound indicating the equipment is ready for your call.

If you do not hear the dial tone within a reasonable time, hang up, wait a few seconds and try again.

Dial the number correctly:—Place your finger in the opening over the letter "F." Move the dial clockwise until you strike the finger stop. Remove your finger and allow the dial to turn back. Do not push the dial back. Dial the letter "O" (in black) in the same way. Then dial the figures 9, 9, 9, 7 and 0 (in red).



When you hear an intermittent burr-burr-burr sound, the called telephone is ringing.

If you hear a rapid buzz-buzz-buzz sound, the called telephone is busy. Hang up and call later.

If you hear a buzz-buzz—buzz-buzz sound, you have made an error in dialing. Hang up for a few seconds and begin again, being sure to listen for dial tone.

If you make a mistake in dialing, hang up for a few seconds and begin again, being sure to listen for the dial tone.

If you need help, dial the opening where the word "Operator" appears.

The calls you dial and those you give to the Operator are shown on the zone card furnished you. Additional copies may be obtained from the Business Office.

If you have a party line or an extension telephone and you do not hear the dial tone when you remove the receiver to make a call, inquire if the line is in use. If there is no response, hang up for a few seconds and begin again. Listen while dialing and if you hear another party come in on the line, inform him that it is in use and request him to hang up his receiver. When he does so, hang up your own receiver for a few seconds and begin again.

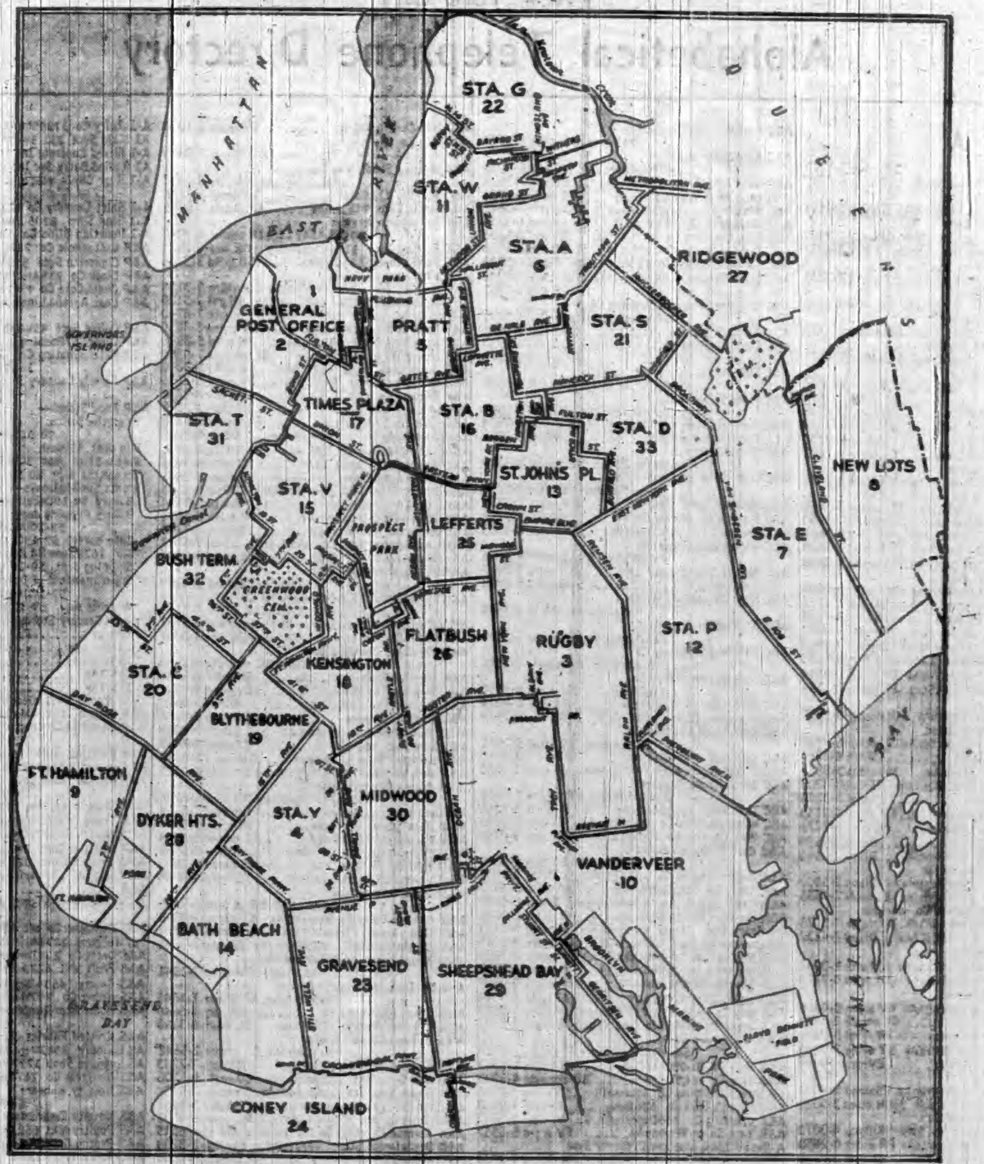
Identification of Employees

Every employee of the Telephone Company authorized to install, inspect, repair or remove the Company's apparatus carries a card showing the Company's name and the employee's number and photograph. Other Telephone employees also carry suitable identification. We suggest that customers refuse access to their premises to anyone who represents himself as from this Company, but who cannot so identify himself.

Attachments to Telephones

The Company does not sanction the use of any devices except those furnished by it. This is in the interest of good service, since many of the devices offered for sale which are claimed to improve the service actually interfere with the service. Where ordinary equipment does not meet any particular need, the Company is ready to furnish special equipment at reasonable rates.

BROOKLYN POST OFFICE
POSTAL UNIT NUMBERS



Mail matter is not completely addressed unless the number of the "Postal Unit" forms a part of the address. The "Postal Unit" number must follow "Brooklyn" and precede "N. Y." as follows:

Mr. John Doe
100 Court St.
Brooklyn 2, N. Y.

Do not guess at the "Postal Unit" number. Ask your own postman or let us supply the correct number for each person on your mailing list. There is no charge for this service. For additional instructions see "Aids to Proper Mailing" on page 4 of the Classified Directory.
